This school is designated for Targeted Support and Improvement (TSI) based on having one or more student groups with an index value that is equal to or less than the annually determined TSI Performance Threshold. The TSI designation identifies schools with student groups which have index values that are within the range of the school index values of the lowest 5% of all Title I schools.

**Overall School Index Value**

1 FAY is defined as continuous enrollment from October 1 to the first day of the general assessment window and represents the number of students in the grade span that were enrolled in the school for a Full Academic Year.  
 2 If the participation rate is less than 95%, the denominator used to calculate % proficient will reflect 95% of the school's Full Academic Year students for that content area and grade span.  
 3 If a school has a student group index value equal to or less than the TSI Performance Threshold, the school is designated as a Targeted Support and Improvement (TSI) School for that student group.  
 \* Aggregated data (multiple years) used to calculate score. ^ Fewer than 5 students tested, data suppressed to maintain student confidentiality.
